16. [ ] (RC) LIAISON At the request of George Cary, called Frank Slatinshek (Chief Counsel, House Armed Services Committee), Ralph Preston (House Appropriations Committee), and Edward Braswell (Chief Counsel, Senate Armed Services Committee) and referred to an earlier briefing by Mr. Cary [ ] I noted that there were follow-up developments which led to the discovery of quantities of drugs stored in one of the Agency buildings and reminded them that Mr. Cary had also told them about it. Only Mr. Braswell remembered the latter. In any event, I said I wanted to alert them that the Senate Select Committee is looking into this business and that there might be a press leak today about the discovery of the quantity of drugs in our building. They all appreciated the alert.

## US Expenditures and Estimated Dollar Costs of Soviet DEFENSE PROGRAMS

The dollar figures for the USSR are estimates of what the Soviet forces and programs would cost if purchased and operated in the US. The dollar figures are obtained by costing individual Soviet forces and programs. US 1974 expenditures are programed and Soviet 1974 estimates are preliminary.
